KES Music are absolutely delighted and honoured to be singing once again alongside Bath's CitySound Voices. KES Music has worked alongside this special choir since CitySound's launch when our KES 24 sang a joint Christmas programme. In previous years our Funk Band, KES Soul, and other KES choirs have supported CitySound, and we are delighted to be singing together again with members from the school's un-auditioned choir, the KES Senior Singers, and our auditioned choir the KES 16 (tonight including some of our trainee KES 16 singers in the team). KES Music has two important partnerships, one with the city's professional orchestra, Bath Philharmonia, but more importantly for our singers, we have a flourishing partnership with Bath Abbey. KES provides the largest number of choristers for the Boys Abbey Choir and 16 singers in both choirs overall. Shean Bowers, the Assistant Director of Music works with the KES 16 every Wednesday morning before school helping develop the choral technique of our talented singers, and we are very grateful for his help in preparing our singers for this concert tonight. We are delighted for the wonderful chance it provides our choirs to gain valuable public performance experience and hope that you enjoy this varied programme.

Singing tonight are:
